DEMOCRACY IN AMERICA ALEXIS DE TOCQUEVILLE

to preserve should be valued by the human family. Those liberties had been wrung from reluctant monarchs in many contests, in many countries, and were grouped into creeds and established in ordinances sealed with blood, in many great struggles of the people. They were not new to the people. They were consecrated theories, but no government had been previously established ...

The Challenge of Cultural Relativism - University of Colorado Boulder

6. It is mere arrogance for us to try to judge the conduct of other peoples. We should adopt an attitude of tolerance toward the practices of other cultures. Although it may seem that these six propositions go naturally together, they are independent of one another, in the sense that some of them might be false even if others are true. In what ...
