**The Historian** Elizabeth Kostova 2005-06-01 The record-breaking phenomenon from Elizabeth Kostova is a celebrated masterpiece that "refashioned the vampire myth into a compelling contemporary novel, a late-night page-turner" (San Francisco Chronicle). Breathtakingly suspenseful and beautifully written, The Historian is the story of a young woman plunged into a labyrinth where the secrets of her family's past connect to an

inconceivable evil: the dark fifteenth-century reign of Vlad the Impaler and a time-defying pact that may have kept his awful work alive through the ages. The search for the truth becomes an adventure of monumental proportions, taking us from monasteries and dusty libraries to the capitals of Eastern Europe—in a feat of storytelling so rich, so hypnotic, so exciting that it has enthralled readers around the world. "Part thriller, part history, part romance...Kostova has a keen sense of storytelling and she has a marvelous tale to tell." —Baltimore Sun  
Reading the Vampire Ken Gelder 2002-08-27 Insatiable bloodlust, dangerous sexualities, the horror of the undead, uncharted Transylvanian wildernesses, and a morbid fascination with the 'other': the legend of the vampire continues to haunt popular imagination. Reading the Vampire examines the vampire in all its various manifestations and cultural meanings. Ken Gelder investigates vampire narratives

in literature and in film, from early vampire stories like Sheridan Le Fanu's 'lesbian vampire' tale Carmilla and Bram Stoker's Dracula, the most famous vampire narrative of all, to contemporary American vampire blockbusters by Stephen King and others, the vampire chronicles of Anne Rice, 'post-Ceausescu' vampire narratives, and films such as FW Murnau's Nosferatu and Bram Stoker's Dracula. Reading the Vampire embeds vampires in their cultural contexts, showing vampire narratives feeding off the anxieties and fascinations of their times: from the nineteenth century perils of tourism, issues of colonialism and national identity, and obsessions with sex and death, to the 'queer' identity of the vampire or current vampiric metaphors for dangerous exchanges of bodily fluids and AIDS.

WICKED EVIL THIS WAY COMES.

There's something troubling about Professor Caligari's Traveling Carnival. Perhaps it's that no one can recall the arrival of its hard-to-miss caravan of old-style wagons, countless performers, and horse-drawn carts. Maybe it's the creepy calliope music that tirelessly beckons visitors. Let's face it, an enigma that chooses Sunnydale nearly guarantees it's up to more than wholesome family entertainment. After a visit to the carnival's Hall of Mirrors, a once-shy pair of homely sophomore twins parades the halls of Sunnydale High like diva supermodels on a runway. Intuiting the twins' abrupt personality change as more than a self-confidence boost, Buffy -- joined by Angel, Giles, and the rest of the Scoobies -- decides to investigate the suspicious carnival firsthand. But soon it's apparent that the price of

admission is higher than she imagined. Those who enter the carnival's attractions exit...changed. Each of the gang soon shows extreme displays of vice. Willow is wracked with envy. Cordelia's greed consumes her. Xander unleashes his gluttony. Angel reveals a lusty new persona. And a dark anger rises in Giles. Chosen by the Vampire Kings

Charlene Hartnady 2016-07-26 Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she's concerned it's an outdated, sexist event and if it wasn't mandatory she so wouldn't be here. It's not

important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there's no going back. But her home is in Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.

**When He's Dark** Suzanne Wright 2020-04-07 Cat shifter Bree Dwyer doesn't fear much. Ironically, what she fears most is the person who was put on the Earth just for her. Your true

mate wasn't supposed to be cruel and twisted; wasn't supposed to be someone who'd never love or want to claim you. The rumors that her true mate is dead bring her only relief. Bree's intent on moving forward with her life and building a future with someone else. Sadly, the male she wants most is one she can never have--a hot-as-sin wolverine shifter who happens to be her boss ... and the cousin of her predestined mate. Aleksandr "Alex" Devereaux detests being bullshitted, but he's been lying to himself for years--pretending he thinks of Bree as extended family; that he doesn't want her so bad he aches with it; that he can't feel himself weakening against her pull. The night they spend together changes everything. He's done fighting himself on what he wants. Someone isn't happy about that. Possibly the same 'someone' who's playing mind games with Bree, trying to scare her. They're succeeding, because too many leads point to the possibility that the culprit could be the one person that

she's determined to believe is dead.
