story all started with a letter. Only it wasn't from the man I'd eventually fall in love with. It was from his daughter. A sweet little girl named Birdie Maxwell who'd written to the magazine that I worked for. You see, once a year my employer fulfilled a few wishes for readers. Only that column didn't start up again for months. So I fulfilled some of her wishes myself. It was harmless, so I thought. Until one day I took things too far."-- Provided by publisher.

Fragrance of Emotions Hiraya Manawari 2022-03-12

Fragrance of Emotions is a compilation of short stories that will show a roller coaster of emotions. In our daily lives, we may feel happy, sad, angry, or vengeful towards our lives, and we think that we have the most terrible life story ever written to the point that we would consider ending our lives. Little did we know, there were more people that were more unfortunate than us but still fighting for their lives. I am not saying to invalidate our feelings just because there are people who are living a more terrible life. I am suggesting that we try to embrace what we feel, rest, and then stand up and continue to fight and remember that blank page on the back of the book for you to write your own story or your own little ending that you wanted. *Fragrance of Emotions* is just a simple compilation of short stories, but we never know, you might find the answer to your questions while reading.
