Film Review - Duke University

Preparing to Write the Review While film reviews tend to be fairly short (approximately 600 to 1200 words), they require a lot of preparation before you begin writing. Prior to viewing the film, you may want to get a sense of the bodies of work by the director, writer, or individual actor. For instance, you may watch other films by the same director or writer in order to get a sense of ...

OF INSTRUCTIONAL TECHNOLOGY - ITDL

Simple rules worked better than analysis of millions of potential options. The audience was intensely interested and excited by these demonstrations. At question time I asked how long it took to write the program for the missionaries and cannibals. The answer was "about six weeks, and two weeks to debug the program". It was not my intent to deflate an enthusiastic ...
