*The Blackwall Frigates* Basil Lubbock 2015-02-15 The Blackwall frigates form a connecting link between the lordly East Indiaman of the Honourable John Company and the magnificent P and O liners of the present day. They were first-class ships. Well-run, happy ships, and the sailor who started his sea life as a midshipman aboard a Blackwaller looked back ever afterwards to his cadet days as the happiest period of his career. If discipline was strict, it was also just. The training was superb, as witness the number of Blackwall midshipmen who reached the head of their profession and distinguished themselves later in other walks of life. Fifty years ago, the lithographs of the celebrated Blackwall liners to India and Australia could be bought at any seaport for a few shillings. Nowadays, those old ship portraits are cagerly snapped up by a growing group of collectors. We therefore hope that the illustrations in this book will be appreciated.

**Breaker's Reef** Terri Blackstock 2009-05-26 Murder and mystery continue in Book Four of the Cape Refuge series A famous mystery writer has just moved to Cape Refuge when a teenage girl is found murdered. Sheila Caruso—ex-con, mother to Sadie and Caleb, and resident of Hanover House—is working for the writer when she discovers that a scene in one of his novels matches the crime scene. When Police Chief Cade and Blair Owens discover a second dead teenager—mirroring a murder in another of the eccentric writer’s books—Cade is drawn into a web of trickery and deceit. Evidence turns up in Cade’s own truck, and suddenly he becomes the number-one suspect. Cade tries to clear his name, but when eighteen-year-old Sadie Caruso disappears, tensions mount to a fever pitch. Can Cade find the real killer before Sadie winds up dead? Is the novelist a demented killer, or a hapless victim? And what does Sadie’s own mother have to do with the crimes? Secrets are uncovered, while lessons are learned about the sins of the father being visited upon his children. Will the consequences of Sheila’s life be fatal, or is there redemption and mercy for her and her children? “Chief Matthew Cade rarely considered another line of work, but news of the dead teenage girl made him long for a job as an

accountant or electrician—some benign vocation that didn’t require him to look into the eyes of grieving parents.”

Only later, when the suspect is behind bars, does Jill wonder whether he's as guilty as he appears. Prompted by a terrifying attempt on her life, Jill and old flame Dan Nichols dig deeper into the case. But standing in their way lies an obstacle Jill hasn't counted on: the power of a covenant. **The Jade Lily** Kirsty Manning 2018-04-24 'Manning renders Shanghai as a riot of flavors, sights, and sounds, its elegance clashing against gritty poverty in this exquisite window into the past.' - Booklist, starred review 'Kirsty Manning has woven, blended, sewn the threads of history, family secrets, the past and the present into a page-turning, beautiful novel. Her talent for researching and writing a seamless dual-narrative story with characters reflecting tragedy and trauma lived, and survived, will enthrall and educate. Her approach and style to the multiple cultures and countries reinforces that humanity will rise above evil. The Jade Lily is a story rich in the elements of plot, characters, and unselfish love leading to hope: the last thing to die.' - Heather Morris, author of the bestselling *The Tattooist of Auschwitz* In 2016, fleeing London with a broken heart, Alexandra returns to Australia to be with her grandparents, Romy and Wilhelm, when her grandfather is dying. With only weeks left together, her grandparents begin to reveal the family mysteries they have kept secret for more than half a century. In 1939, two young girls meet in Shanghai, the 'Paris of the East': beautiful local Li and Viennese refugee Romy form a fierce friendship. But the deepening shadows of World War Two fall over the women as Li and Romy slip between the city's glamorous French Concession and the desperate Shanghai Ghetto. Eventually, they are forced separate ways as Romy doubts Li's loyalties. After Wilhelm dies, Alexandra flies to Shanghai, determined to trace her grandparents' past. As she peels back the layers of their hidden lives, she begins to question everything she knows about her family - and herself. A gorgeously told tale of female friendship, the price of love, and the power of hardship and courage to shape us all. 'This is a rich, sensual, and evocative novel, fragrant with the smell of crushed herbs and flowers, and haunted by the high cost that women must sometimes pay to find both love and their vocation.' Kate Forsyth on *The Midsummer Garden* '...compelling, passionate and admirable.' Australian Women's Weekly on *The Midsummer Garden*
