On The Shoulders of Mighty Women Lesley Michaels 2022-07-26 Author Lesley Michaels takes you on an exploration of life, womanhood, feminism, and the often-disorienting effects of the three colliding as women struggle to hold up more than just their half of the sky. Women represent all races, cultures, religious affiliations, and sexual orientations. As they establish a new ethos of equality and equity among themselves, each one in every community - from elders to our current generation of children and those still to come - will be positively impacted. It is our time to rise and be loud, be bold, to be unapologetic in our demand for benevolent equality and equity in the lives of each person. It is our time to reach back and lift one with us as we rise.w

Unleash the Girls Lisa Z. Lindahl 2019-09-10 "The sports bra was and is more than a piece of sporting equipment, it has become a symbol and a vehicle for women and girls to propel themselves forward without inhibition towards the future that they are creating." –Brandi Chastain, American retired soccer player, two-time FIFA Women's World Cup champion, two-time Olympic gold-medalist, coach, and sports broadcaster "...an inspiring narrative about changing the world through fearless innovation...Lindahl writes with self-awareness, wit and wisdom." –Publishers Weekly, The BookLife Prize The 1970s saw women coming into their own, working hard to create new roles at home and in sports, culture, politics, and business. It was also the start of the "fitness revolution." At this unique intersection of feminism and athleticism, Lisa Lindahl's game-changing entrepreneurial journey began. She invented the first sports bra, the "Jogbra," in 1977. It was the right product at the right time, throwing Lisa into a high-stakes world of business and power—a world for which she was not fully prepared. *Unleash the Girls* is the improbable story of a young artist with a disability who used her powers of creativity to solve a vexing problem and ended up leveling the playing field for girls and women across the globe—literally, unleashing the girls. Her invention would become a feminist icon and the company she founded would change an industry. But amid the success, Lisa continued to search for meaning and the true nature of power and beauty. This is the untold story of the invention of the sports bra and how it changed the world for girls and women...and, along the way, changed Lisa, too. "The sports bra was and is more than a piece of sporting equipment, it has become a symbol and a vehicle for women and girls to propel themselves forward without inhibition towards the future that they are creating. Prior to its inception, the concept of women running, jumping, lifting, competing, basically moving dynamically, caused reticence. Now, we run and move in every athletic space

and then some.To say I don't think about my sports bra anymore is to say that I am free to accomplish and go after anything I want. I am empowered to embrace opportunity!" ~ Brandi Chastain, American retired soccer player, two-time FIFA Women's World Cup champion, two-time Olympic gold-medalist, coach, and sports broadcaster

Behind Frenemy Lines Amber Tichenor 2021-11-30 Females are the recipients of rivalrous behaviors from other women, consistently. It's what people frequently call a "cat-fight," or "women being dramatic" it isn't pretty. It can be raw, ugly, confusing, and very painful. Female rivalry is boundless. As a result, there is a hunger for this topic, to better understand it, to curb the behavior, to dive into the misconceptions and reality that it's not just a cat-fight. It's much more than that. It's a silent epidemic. Women who are recipients of this type of behavior often don't speak about their experience until it is behind them, or near to being over. Silent in the fact that there is often awareness by others about the behavior, but traditionally it's not dealt with until after the fact, if ever. *Behind Frenemy Lines* is a practical guide to help women find their peace, explore how they trust, establish true connections and know they are not alone when they are experiencing these types of behaviors. By sharing personal and relatable stories, *Behind Frenemy Lines* addresses the raw ugliness of female rivalry head on. It offers tips with structure to educate and help women connect with one another about the seriousness of the phenomenon so that they can forge relationships that help them be unstoppable, together.

Powering Up Anne Doyle 2011-01-26

The Oxford Handbook of Gossip and Reputation Francesca Giardini 2019 Gossip and reputation are core processes in societies and have substantial consequences for individuals, groups, communities, organizations, and markets.. Academic studies have found that gossip and reputation have the power to enforce social norms, facilitate cooperation, and act as a means of social control. The key mechanism for the creation, maintenance, and destruction of reputations in everyday life is gossip - evaluative talk about absent third parties. Reputation and gossip are inseparably intertwined, but up until now have been mostly studied in isolation. *The Oxford Handbook of Gossip and Reputation* fills this intellectual gap, providing an integrated understanding of the foundations of gossip and reputation, as well as outlining a potential framework for future research. Volume editors Francesca Giardini and Rafael Wittek bring together a diverse group of researchers to analyze gossip and reputation from different disciplines, social domains, and levels of analysis. Being the first integrated and comprehensive collection of

studies on both phenomena, each of the 25 chapters explores the current research on the antecedents, processes, and outcomes of the gossip-reputation link in contexts as diverse as online markets, non-industrial societies, organizations, social networks, or schools. International in scope, the volume is organized into seven sections devoted to the exploration of a different facet of gossip and reputation. Contributions from eminent experts on gossip and reputation not only help us better understand the complex interplay between two delicate social mechanisms, but also sketch the contours of a long term research agenda by pointing to new problems and newly emerging cross-disciplinary solutions.

The Joy of Living J. Dwight Pentecost 1996-06-01 Pentecost creates a devotional study of Philippians that contains helpful study and review questions for personal Bible study or sermon preparation.

Love's Refraction Jillian Deri 2015 In *Love's Refraction*, Jillian Deri explores the distinctive question of how and why polyamorists – people who practice consensual non-monogamy – manage jealousy. Her focus is on the polyamorist concept of “compersion” – taking pleasure in a lover's other romantic and sexual encounters.

Why Smart Men Marry Smart Women Christine B. Whelan 2006-10-17 For years, it's been “common knowledge” that once a woman hits thirty, her chances of finding a husband diminish to the point of despair. That men are intimidated by a woman's career success, preferring docile helpmates to ambitious achievers. That women are biologically driven to seek a strong provider. That the higher a woman's IQ, the less likely she is to marry, let alone have babies...leaving single, successful women to ask themselves: Are men intimidated by smart women? In *Why Smart Men Marry Smart Women*, Christine B. Whelan shatters the myth that high-achieving women are at a disadvantage in the marriage market. There's good news for the millions of American SWANS (Strong Women Achievers, No Spouse): that today's smart, successful women marry at the same rates as all other women -- and that more income and education may in fact increase a woman's chances of marriage. What's more, as Dr. Whelan shows through newly released U.S. Census data, a large-scale Harris Interactive survey commissioned especially for this book, plus extended interviews conducted in cities nationwide, this profound demographic shift shows every sign of progressing. That means that the “success penalty” that has endured

for generations is, as soon as 2010, destined for the history books. Accomplished daughters, sisters, and friends (not to mention their mothers) can finally stop worrying that the twin pinnacles of personal and professional happiness are inherently unattainable. In fact, smart men do marry SWANS. Ninety percent of high-achieving men surveyed want a woman who is as intelligent or more intelligent than they are. And two-thirds of men said they believed smart women make better mothers. Pairing cutting-edge research with sound advice, Dr. Whelan brings to mind what smart women everywhere have long known in their hearts: that the goal is not just to get married, but to have a good marriage, and to lead a fulfilled life.

Indirect and Direct Aggression Karin Osterman 2010 *Indirect and Direct Aggression* consists of 24 chapters written by distinguished scholars within the field of aggression research, covering indirect aggression, bullying in schools, adult bullying, and societal and biological aspects of aggression. Indirect aggression is the most typical form of aggression used by women in most cultures. It is an aggressive strategy that is carried out by means of social manipulation that enables the perpetrator to go unnoticed and thereby escape retaliation. Knowledge about indirect aggression and its mechanisms is crucial for all anti-bullying efforts, among children and adults alike. Although briefly covered in early research on human aggression, the study of indirect aggression originates, beginning from the mid-1980s, from a research group in Finland, lead by Professor Kaj Björkqvist of Åbo Akademi University. The book can be used as a textbook at university level.

Evolution's Empress Maryanne Fisher 2013-03-28 Effectively dismantling misguided assumptions that women take on passive roles when it comes to survival and reproduction, *Evolution's Empress* addresses women as active agents within the evolutionary process.

IBSS: Sociology: 2007 Vol. 57 Compiled by Compiled by the British Library of Political and Economic Science 2008-11-06 A classic of animation education since it first published in 1981. For more than 25 years, copies of *Timing for Animation* have been sitting dog-eared and spine-split on desks and workstations around the world wherever animation is produced. All the vital techniques employed by animators worldwide are explained using dozens of clear illustrations and simple, straightforward directions. Learn how animations should be arranged in relation to each other, how much space should be used and how long each drawing should be shown for maximum dramatic effect. Fully revised and updated, the second edition includes timing for digital production, digital storyboarding in 2D, digital storyboarding in 3D, the use of After Effects and much, much more! *Timing* shows weight, mood, and power and can make or break an animation - get it right the first time with these tried and tested techniques Get straight to the good stuff with simple, no-nonsense instruction on the key techniques like stretch and squash, animated cycles, overlapping, and anticipation

New York 2006-03

Women's Health 2006-06 *Women's Health* magazine speaks to every aspect of a woman's life including health, fitness, nutrition, emotional well-being, sex and relationships, beauty and style.

Influence Starts with “I” Jeanne Porter King 2019-03-05 Influence is power. What does a woman need to lead well in today's competitive work environment? If you think it's a coercive, “power over” style of leadership, think again. *Influence Starts with “I”: A Woman's Guide for Unleashing the Power of Leading from Within*

and Effecting Change Around You outlines how to be a more effective leader by tapping into the authentic "I" within you to cultivate "power with" others and effect change around you. Influence skills are important ingredients to effective leadership in today's complex organizations and institutions. In her latest title, author and leadership coach Jeanne Porter King provides a guide for developing the personal side of leadership. This guide helps you to -Identify your leadership purpose -Develop an influence mindset -Use your power strategically -Negotiate gender barriers -Build your support system, and more Reflective exercises and questions allow you to readily apply what you've learned and build your plan for growth. Every existing and emerging woman leader needs to carve out the space and time to do the inner work on their leadership. Whether you work in a corporate setting or a nonprofit organization, you have what it takes to lead from within and influence positive change around you.

Girls and Sports Laura K. Egenorf 2012-05-11 This must-have book explores issues related to girls and sports through a collection of personal accounts and factual articles. Using a variety of sources, this book explores whether or not sports are good for girls' health, and how girls are coached differently than boys. Readers will evaluate the impact of Title IX, and the effect of sex segregation in boys and girls sports. Essay sources include the American Association of Cheerleading Coaches and Administrators, Women's Sports Foundation, Margaret C. Duncan, Michael Sokolove, and Sarah Gibbard Cook.

New Books on Women and Feminism 2006

Owning Up Curriculum Rosalind Wiseman 2009 "Separate sessions for girls and for boys combine group discussions, games, role-playing, and other activities to engage students in understanding the complexities of adolescent social culture. Students learn to recognize that they have a responsibility to treat themselves and others with dignity and to speak out against social cruelty and injustice. A CD of reproducible program forms and student handouts is included with the curriculum."--From publisher description.

Perspectives on Gender and Work Eden B. King 2020-09-01 Few time periods in the past five decades match the intensity of intergroup conflict that people around the world are currently experiencing. Polarized attitudes around various sociopolitical issues, such as gender equality and immigration, have dominated the media and our lives. Furthermore, these powerful social dynamics have also impacted the places where we work and intensified existing strains on workers and workplaces. To address these issues and improve organizational climates, more theories, research and collaborations to understand these phenomena are needed. The volumes in this series will describe and instigate scholarship that advances our understanding of diversity in organizations. In recognition of the centennial anniversary of the ratification of the 19th Amendment to the U.S. Constitution, which granted American women the right to vote and the subsequent struggle for women of color to exercise it, this volume features the personal narratives of recognized scholars in the field who have advanced understanding of gender at work. In this way, we appreciate, and gain perspective on, the rewards and challenges of this essential scholarship and the lives of those who engage in it. The combination of these narratives is an exciting and meaningful exploration of the study of gender and its intersection with other marginalized social identities at work that authentically captures the experiences of scholars in the field and inventively pushes our understanding of diversity in organizations.

Success Strategies From Women in STEM Peggy A. Pritchard 2015-06-11 Success Strategies from Women in Stem: A Portable Mentor, Second Edition, is a

comprehensive and accessible manual containing career advice, mentoring support, and professional development strategies for female scientists in the STEM fields. This updated text contains new and essential chapters on leadership and negotiation, important coverage of career management, networking, social media, communication skills, and more. The work is accompanied by a companion website that contains annotated links, a list of print and electronic resources, self-directed learning objects, frequently asked questions, and more. With an increased focus on international relevance, this comprehensive text contains shared stories and vignettes that will help women pursuing or involved in STEM careers develop the necessary professional and personal skills to overcome obstacles to advancement. Preserves the style and tone of the first edition by bringing together mentors, trainees and early-career professionals in a series of conversations about important topics related to careers in STEM fields, such as leadership, time stress, negotiation, networking, social media and more Identifies strategies that can improve career success along with stories that elucidate, engage, and inspire Companion website provides authoritative information from successful women engaged in STEM careers, including annotated links to key organizations, associations, granting agencies, teaching support materials, and more

Envy Cindi Katz 2006-12 Probing scholarly essays chart the transition of a seven deadly sin from penis to the womb.

Mean Girls at Work: How to Stay Professional When Things Get Personal Katherine Crowley 2012-10-09 One of the New York Post's Top 10 Career Books of 2012 DO YOU WORK WITH A MEAN GIRL? A woman's field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a woman in the workplace who: "Accidentally" excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a "pack" of mean girls to make your life miserable? Mean Girls at Work isn't just about surviving difficult situations. It's about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don't know it. After all, who hasn't gossiped about a female coworker? Who hasn't rolled her eyes in the presence of a woman she doesn't like? Who hasn't scanned another woman head to toe—which is just a nonverbal way of saying, "You've just been judged"? The authors provide invaluable advice to the more subtle ways of being mean—even if they're not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. Mean Girls at Work is your map to dodging the mines and moving forward in today's transformed workplace. Praise for Mean Girls at Work "An invaluable suit of armor for surviving nine to five!" —Leil Lowndes, bestselling author of How to Talk to Anyone "If you think the emotional cruelty of comedies like Mean Girls and Heathers doesn't exist in the real world workplace, think again. In Mean Girls at Work, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies." —Ann

Kreamer, author of *It's Always Personal: Navigating Emotion in the New Workplace* "Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who's seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!" —Carolyn Cassin, President, Michigan Women's Foundation "A must-read for women of all ages in today's workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all about relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack." —Kim Harrington, Coordinator, Professional Development and Training, Office of Human Resources, California State University, Sacramento

Best Friends at the Bar Susan Smith Blakely 2009-11-17 *Best Friends at the Bar: What Women Need to Know about a Career in the Law* addresses the realities of law firm practice, especially in large firms, and gives pre-law students, law students, and new attorneys a realistic view of the opportunities and challenges most often encountered by women lawyers. Drawing on her many years of practicing law and mentoring young lawyers and with the help of other women in all areas of the legal profession, her "best friends at the bar", Susan Smith Blakely strives to help young women entering the legal profession begin their careers with open eyes and a more level playing field than women lawyers of past generations. This concise paperback, which is written in a direct, personal tone that instantly engages the reader Explores the experiences of the author and more than 60 private and public sector attorneys, judges, law school career counselors, and law firm managing partners who address a wide variety of issues as trustworthy mentors Candidly speaks to the issues women face in law firm practice and provides invaluable advice for planning enduring and satisfying careers in the law Critically addresses business, cultural, and personal conditions and offers strategies for dealing with them, including how to manage expectations in the context of actual job conditions and the dynamics of personal/professional life struggles Full of helpful advice from attorneys, judges, law school career counselors, and law firm managing partners with wide and varied experiences, this book will be an invaluable resource to any woman planning a career in the law.

The Wild Woman's Way Michaela Boehm 2021-11-09 "As pragmatic as it is compassionate, this intimate, humorous, and ultimately relaxing invitation to re-wild yourself, stripping away all that is not your true nature, will leave you inspired and curious to discover the wild woman within" (Lissa Rankin, MD, New York Times bestselling author of *Mind Over Medicine*). For the high-achieving modern woman today, having a successful career, a fulfilling romantic relationship, and a satisfying personal life can feel like opposing goals. It has even become difficult to take the time to enjoy the simple pleasures in lives. We are stuck in "go-mode," damaging our romantic relationships, pleasure, and creativity. But what if there were a way to experience the simplest pleasures of our lives on a deeper level, freeing the body and psyche from these destructive patterns? Beyond our current stereotypes about femininity lies the ancient wisdom of the Wild Woman archetype, a model of building a feminine "body intelligence." By embodying this archetype and using tantra--not just in the bedroom, but also to build intimate connections to our senses and physical movements--we can break harmful psychological patterns. In *The Wild Woman's Way*, Michaela Boehm shares practical rituals and exercises drawn from years of experience as a celebrity

relationship and life counselor and an expert in tantric yoga. She reveals the power of different types of touch, while also training you in forms of meditation and stretching that increase activity and sensual pleasure.

The Passionate Prince David Balsley 2015-04-30 *The Passionate Prince* is a verse-by-verse commentary on the Song of Solomon from a pastor's perspective. It explains the Song as a description of the developing relationship between King Solomon and the Shulammitte, a young Jewish maiden from the northern part of Israel. It tells of their pre-marriage romance, of their marriage, and of some of the challenges of their relationship following their wedding. It treats the book, in a literal way, as a continuous account of the relationship between Solomon and the Shulammitte from pre-marriage days to post-marriage days. It assumes, by virtue of the Biblical title of the book ("The song of songs which is Solomon's") that Solomon's relationship with the Shulammitte was probably the most satisfying marriage which Solomon experienced among the many marriages which were a part of his life as the most wealthy of all of the kings of Israel.

Women's Health 2006-07 *Womens Health* magazine speaks to every aspect of a woman's life including health, fitness, nutrition, emotional well-being, sex and relationships, beauty and style.

So Much More Than Sexy Mark Atteberry 2009 Mark Atteberry is here to set the record straight about what men really want. Men aren't just interested in outward appearance.

Toxic Friends Susan Shapiro Barash 2009-10-13 A woman can always count on are her friends—right? But what if those friendships are hurtful, harmful, even toxic? Susan Shapiro Barash explores the ten types of female friends and shows you why and how women get stuck with the worst kinds, the ways to get "unstuck, and how to recognize a true friend." For example: • The Leader of the Pack—it's all on her terms • The Doormat—and why you're the one paying the price • The Misery Lover—she wants to feel your pain. Really. • The User—and why you seldom see her coming • The Trophy Friend—and what you gain from each other Provocative and fascinating, Susan Shapiro Barash looks at the bonds (and bondage) of female friendships in a new light.

Transforming Your STEM Career Through Leadership and Innovation Pamela McCauley Bush 2013 *Transforming your STEM Career through Leadership and Innovation* offers valuable information on what it means to be a leader and innovator and encourages you to discover and develop these skills for yourself. This book integrates leadership and innovation principles with personal examples and profiles of inspirational women. It is accompanied by a website that features women's leadership success stories, as well as innovation resources and best practices. This book is relevant for women in all stages of their careers and explains the critical need for leadership and innovation right now. By providing a clear process on how to build upon your personal strengths to realize leadership and innovation goals, this book will inspire you to pick up the mantle and meet the critical need for leadership and innovation in the STEM fields Examines research-based leadership and innovation principles to make these critically important characteristics both real and attainable Empowers you to build upon your own strengths and successes to discover and develop leadership and innovation skills Features a companion website that highlights women's leadership success stories, innovation resources and best practices Provides a practical guide that educates, encourages and equips you to pursue leadership and innovation opportunities Includes a companion website that highlights women's leadership success stories, innovation resources and best practices

It's Not You, It's the Workplace Alton B. Harris 2019-09-05 Why is it that many women believe that working with other women is harder than working with men? A clue: it's not because women actually are harder to work with. After decades of working to help women to succeed at work, Andie Kramer and Al Harris noticed the same thing over and over again: Women's relationships with other women are causing conflict in the workplace and this is hindering careers across the board. Their research demonstrates that at the root of these clashes lie stereotypes, toxic assumptions and societal expectations about how women should behave. Through extensive research and hundreds of interviews, Andie and Al have identified the most fraught scenarios of women working for, working with, supervising, and collaborating with other women. *It's Not You, It's the Workplace* provides practical, immediately usable techniques that will allow women to develop strong networks that will foster their career success and organizations to structure their policies and practices - unlocking the potential of women in team situations. The companies that succeed in the future will be those where bias no longer blocks women's career satisfaction or advancement to leadership.

Tripping the Prom Queen Susan Shapiro Barash 2007-04-01 *Tripping the Prom Queen* is a groundbreaking investigation into the dark secret of female friendship: rivalry. Susan Shapiro Barash has exploded the myth that women help one another, are supportive of one another, and want each other to succeed. Based on interviews with women across a broad social spectrum, she has discovered that the competition between women is more vicious precisely because it is covert. She tells us: * Why women can't and won't admit to rivalry. * How women are trained from an early age to compete with one another. * In which areas women most heatedly compete. * How rivalry is different among women than among men. * The differences between competition, envy, and jealousy. * When competition is healthy and when it isn't. * Why women find it irresistible to "trip the prom queen." * Useful strategies to stop the competition and forge a new kind of relationship with other women. Whether you've tripped the prom queen or been tripped yourself, you will discover an engrossing exploration of this female phenomenon, as well as a beacon of hope for better, more fulfilling relationships.

Unseduced and Unshaken Rosalie De Rosset 2012-08-01 You can't afford to live casually, haphazardly. No matter your age, you were born into a plethora of expectations of what it means to be a woman. How easily we assume impoverished views of womanhood as we hoist beauty and desirability above the more enduring traits of self-possession and dignity. We tend to live as divided and distracted selves, allowing our bodies and minds to drift to opposite poles while swapping our pursuit of God for tamer, lesser loves. This collection of essays is more than a call to modesty or chastity. It is a thoughtful provocation to speak well, read often, make choices that reflect the character of God, and even to establish a theology of play or leisure. Being intentional with your choices, cultivating your intellect, and taking seriously your voice determines not only what kind of person you are, but also what kind of woman you will be. "[Unseduced and Unshaken] raises the bar for young Christian women...It's a call for all Christian women to examine their personal faith presuppositions, deliberately choose a life of Biblical 'dignity,' and to not be frightened to allow 'theology to inform our choices.'" *Just Between Us*, Summer 2013 issue

Little White Lies, Deep Dark Secrets Susan Shapiro Barash 2009-01-06 From the bestselling author of *Tripping the Prom Queen* comes a fascinating and provocative look at the reasons behind female deception. *Little White Lies, Deep Dark Secrets* reveals how society doles out mixed messages to women, fostering the lies they

tell. Among the liars are: •A woman who shoplifts, and has it "down to a science" •A woman who tells her husband she is working late in order to be with her lover •A woman who lies about her children's achievements to her friends •A woman who pretends her husband is doing well when they are going broke •A woman who has covered up her husband's emotional abuse for years •A woman whose secret is her misery in being a stay-at-home mom in suburbia •A woman who lies about loving her partner, deciding it's better to stay than be alone •And many other secrets and deceptions Honest and even outrageous, Susan Shapiro Barash is fast becoming the author who explores issues that are important to women—issues that they are loath to talk about . . . until now.

Memoirs of an Ex-Prom Queen Alix Kates Shulman 2019-06-06 OVER A MILLION COPIES SOLD The cult classic that defined a generation - first UK publication in 47 years 'An extraordinary novel ... women will like it and men should read it for the good of their immortal souls' Los Angeles Times Sasha Davis has everything a girl in 1950s suburbia could want: beauty, intelligence and an all-star sports captain boyfriend. All she needs to succeed is to keep her skin clear and her intelligence hidden under her Prom Queen tiara. But when she drops out of college to marry, Sasha soon realises her life has become a fearful countdown to her thirtieth birthday - the year when her beauty will have faded, and life as she knows it will end. As Sasha rebels against her fate, she finds herself experiencing an intellectual and sexual awakening that might be her only chance of outrunning the aging process. First published in 1972, Alix Kates Shulman's landmark novel follows Sasha's coming of age through the sexual double standards, job discrimination and harassment of the 1950s and 60s. Five decades later, it remains a funny and heartbreaking story of a young woman in a man's world.

The Philosophy of Envy Sara Protasi 2021-07-15 Envy is almost universally condemned. But is its reputation warranted? Sara Protasi argues envy is multifaceted and sometimes even virtuous.

Leading Women Who Wound Sue Edwards 2009-02-01 As more churches add women's ministry programs, there is a growing need to address the issues that naturally arise as women minister alongside one another and to one another. Given the fallen nature of the human heart as well as the complexities of personalities, conflict is an inevitable aspect of ministry. How do women deal with emotions when other women are insensitive, manipulative, or just plain mean? What does the Bible tell us? To be equipped for conflict, women must understand and master strategies specifically related to conflict with other women. *Leading Women Who Wound* shows women how to effectively deal with conflict within their ministries. Seasoned women's ministry leaders themselves, Sue Edwards and Kelley Mathews walk through several different aspects of conflict resolution including self examination, identification of potential sources of conflict, tools for conflict resolution, and insight on how to prevent and move beyond conflict to minister to those who have been sources of contention. Recognizing that not all conflict results in a happy ending, *Leading Women Who Wound* gives the tools necessary to minister effectively and move forward with integrity.

The Sexual Paradox Susan Pinker 2009-08-18 Now available in paperback from psychologist and award-winning columnist Susan Pinker, the groundbreaking and contro- versial book that is "lively, well- written...important and timely" (The Washington Post). In this "ringing salvo in the sex-difference wars" (The New York Times Book Review), Pinker examines how fundamental sex differences play out over the life span. By comparing fragile boys who succeed later in life with high-achieving women who opt out or plateau in their careers, Pinker turns several

assumptions upside down: that women and men are biologically equivalent, that intelligence is all it takes to succeed, and that women are just versions of men, with identical interests and goals. In lively prose, Pinker guides readers through the latest findings in neuro- science and economics while addressing these questions: Are males the more fragile sex? Which sex is the happiest at work? Why do some male college dropouts earn more than the bright girls who sat beside them in third grade? The answers to these questions are the opposite of what we expect. A provocative and illuminating examination of how and why learning and behavioral gaps in the nursery are reversed in the boardroom, this fascinating book reveals how sex differences influence career choices and ambition. Through the stories of real men and women, science, and examples from popular culture, Susan Pinker takes a new look at the differences between women and men.

What a Girl Wants? Diane Negra 2009-06-02 From domestic goddess to desperate housewife, *What a Girl Wants?* explores the importance and centrality of postfeminism in contemporary popular culture. Focusing on a diverse range of media forms, including film, TV, advertising and journalism, Diane Negra holds up a mirror to the contemporary female subject who finds herself centralized in commodity culture to a largely unprecedented degree at a time when Hollywood romantic comedies, chick-lit, and female-centred primetime TV dramas all compete for her attention and spending power. The models and anti-role models analyzed in the book include the chick flick heroines of princess films, makeover movies and time travel dramas, celebrity brides and bravura mothers, 'Runaway Bride' sensation Jennifer Wilbanks, the sex workers, flight attendants and nannies who maintain such a high profile in postfeminist popular culture, the authors of postfeminist panic literature on dating, marriage and motherhood and the domestic gurus who propound luxury lifestyling as a showcase for the 'achieved' female self.

Marry Smart Christine B. Whelan 2008-12-30 Challenging perceptions that smart women are at a disadvantage when looking to marry, a guide for single intellectuals shares step-by-step instructions and practical advice on how to find a satisfying, long-term partner. Original. 30,000 first printing.
