Vaughn Publishers 1999-11 A second chance for

your low-level readers having trouble in the

content areas. Connections offers subject-

specific titles in all the content areas written at

reading levels 5-8. Designed for independent

use. Connections is truly a self-directed program.

With its low reading level and straightforward

directions, students can measure their own

progress with pretests and posttests. Correlation

charts are tied to test questions directing them

to the precise pages to study for each type of

question. -- Units on the world of work and

careers are tied to content areas. -- Answers and

explanations in each book enable students to check their answers and understand the thinking behind each question. -- Real-life and work graphics content designed for secondary students help them connect academic skills with life and work skills. -- Reading selections emphasize comprehension, so students can improve reading skills as they gain content knowledge.
